DAAO – Design and Architecture Atelier presents our Furniture Collection developed by DAAO Studio.

Having been developed in the last two years, this Collection brings a new concept to home furniture.

With a functional approach, DAAO Furniture Collection prioritizes the purpose and use, dispensing devices, or mainly decorative forms.

We believe that the object's function creates the form, utilizing design to make it essential.

A handwritten signature in black ink, appearing to read 'DAAO'.

DESIGN[ED] FOR YOU

**SIDEBOARD 07**

W1600 x D430 x H700

Design: Danilo Olim

by DAAO

With three compartments, the **Sideboard 07** reflects the essence of our minimal design.

The **07 Sideboard** is a solution for both home and work environments. The doors have an elegant hardware, highlighting its beauty.
